

# ***Mission Statement***

*We want all people in the communities we serve to hear and respond to the Good News of Jesus Christ*

## ***Our Principles***

*Our vision is that the church maintains an active, faithful presence accessible in every part of our Mission Area, and that:*

*People of all ages in the church are able to...*

- ...grow and develop in their discipleship*
- ...deepen their understanding of God through the Bible*
- ...be confident in telling others about their faith*
- ...recognise, and act on, what God is calling them to do for Him*

*People of all ages who touch the church...*

- ...find a connection with God*
- ...have a fulfilling, enjoyable experience*
- ...become more involved*
- ...know the church is here for them*
- ...feel welcome*
- ...feel comfortable within Christian circles*

*People of all ages who believe but don't come to church...*

- ...begin to share fellowship that deepens their belief*
- ...are met on a neutral ground*
- ...feel comfortable entering the church building*
- ...feel comfortable participating in Christian fellowship on their own terms*
- ...want to engage with the church*
- ...find the church has an open door and open minds*

*People of all ages who don't believe...*

- ...experience the love of God*
- ...feel the spirit of God*
- ...know the comfort of God*
- ...come to know that God loves them*
- ...can access Christian support and fellowship*
- ...have the opportunity of accessible teaching about the basics of the Christian faith*
